### Best trip to Morro Bay yet!

★★★★★ 5 of 5

This home was perfect for us! We watched sunsets while cooking in the kitchen and our kids loved how close the trail to the beach was. I couldn't believe how well stocked the home was, the kitchen had everything I needed, and even offered games for the kids in the living room.

My favorite part was the master bedroom is in the back of the home, away from the noise of the street and living room. So when I wanted to sleep in the kids watched tv in the living room and it was perfect!

We will definitely be coming back, this was our favorite home we have stayed at in Morro Bay!

## Great Location! Well maintained home!

★★★★★ 5 of 5

My family and I spent a long weekend at this home and it was perfect for us. We had great weather so we spent a lot of our time on the beautiful front patio where you have unlimited ocean views. The home is furnished very comfortably with a large dining room table that made it easy for us all to be together for dinner. The kitchen is very well stocked and the house was the cleanest vacation rental we have ever stayed in. We are hoping to make this an annual trip to stay at this home.

## Perfect beach home

★★★★★ 5 of 5

We loved staying at this home, great layout, very nicely furnished and very clean. Beach access was great there's a little trail through the dunes area we were out almost every day. Nice patio area for hanging out. We've stayed in Morro Bay several times this home was by far the best. Very happy with our choice, we'll be back. Thanks for the great vacation.
